

Bray 2023

Bathroom Towel Rails

Data Sheets

Overview

The Bray is a premium quality towel rail designed to dry towels and heat your bathroom

- Professional filling & electric conversion service included
- Delivered ready to mount to your wall
- IP67 Rated. Suitable for all bathroom zones
- Bright polished chrome finished towel rail
- Anti-corrosion treated & tested

Detail

Guarantee	5 years (Radiator) 2 years (Electronics)
Manufacturer	SolAire
Colours	Chrome
Flex Position	Either side

Specs

Installation	• 4 wall brackets
Protection	• IP67 • Over heat protection
Element	• Constant power cartridge element
Flex Length	• 1.2m
Material	• Mild Steel

Feature	Y (Yes) N (No)
Electric Thermostat	N
Timer	N
24 / 7 Programming	N
Open Window Detection	N
Adaptive start	N
Remote Control	N
Display	N
Anti Tamper Lock	N
Pre filled	Y
Temperature Control	N
Frost Protection	N
Manual Setting	N
Splash Proof	Y
WiFi Control	N

Element adds 75mm to the radiator's height

E.g. 1200mm (Radiator) + 75 mm (element protrusion)

Bray | R3
