

WINDY

Design bathroom wall heater. Digital technology and ultra slim design to enhance the comfort of your bathroom

Small, silent and smart: with an ultra-slim design in the thinnest point of only 11.2 cm, WINDY digital bathroom fan heater - also available as WINDY 2B with aluminum towel rails and as WINDY VISIO with aluminum towel rails and mirror - will give your bathroom a hi-tech sophisticated look. This elegant wall-mounted fan heater is able to spread heat quickly, silently and homogeneously.

4 different operation modes will allow you to customize the heat emitted, achieving a customized comfort. Moreover, thanks to the weekly programming functions, it will be possible to adjust the temperature of the bathroom according to your own daily life routine. Say goodbye to cold awakenings and let yourself be surprised by the warm embrace of WINDY.

Heating Style

Thanks to the integrated motion sensor, WINDY will emit heat only when necessary, avoiding unnecessary waste of energy, reducing its consumption level, and then automatically bring the temperature back to the set comfort level as soon as a motion is detected.

With its integrated open window sensor, WINDY will avoid any dispersion of heat and consequently any waste of energy, automatically selecting the Frost-free function.

5 pre-set weekly programs, to adapt WINDY to your life rhythm, optimizing the heat emitted and becoming a loyal ally to better enjoy the cold season.

Control System

WINDY integrates touch screen controls on the front:

- Motion sensor
- Led display
- Mode led indicators
- BOOST function for ultrafast heat
- Heat mode selector

Everything has been designed for an easy and intuitive control of the product.

Features

- Touch screen controls + LED display, for a precise regulation of the desired temperature
- 5 pre-set weekly programs
- 4 operating modes: COMFORT, AUTO, PROGRAMMED, FROST FREE
- Motion sensor
- Open window detection function
